Hi All,
A friendly reminder to have your (1) EOY summary AND (2) highlights/concerns bullets to me by Friday, September 21st.
Please also vet these through your Supervisor.

Thanks!
Elizabeth

Subject: Arizona EOY SFY18: Important materials and schedule

Hi All,

See attached AZ EOY report, TOC, and database for use in your EOY individual program sessions. Please note the EOY schedule below.

Also, I have attached last year's (1) report and (2) briefing notes for your reference. Please use this format to develop your EOY summary and highlights/concerns for briefing Tomás and provide to me by September 21st per the below schedule.

1. By September 14th, Programs hold individual sessions with ADEQ counterparts
2. By September 21st, Programs provide (1) EOY summaries and (2) briefing notes (vetted by Supervisors) to Elizabeth
3. By September 28th, Elizabeth will compile EOY report and prepare briefing materials (with input from workgroup)
4. By October 5th, brief Tomás
5. October 11th: EOY Closeout w/ ADEQ management (Trevor and 2nd level managers travel to SF)

Thanks!
Elizabeth

Please find the attached copy of the access database, the SF18 workplan Main Report, and a copy of the Task List/table of contents.

It is hot off the presses so I haven't had a chance to go through each value stream's section yet. I'll let you know if we have any further updates.

Thanks,

Randy
